Headline:
Rather cloudy. Patchy rain, mainly in the west.

Today:
It will be a cloudy for most, but Counties Antrim and Down should be mainly dry with some brighter spells. Patchy rain further west, with the odd heavier burst through this morning. Maximum temperature 16 deg C (61 deg F).

Tonight:
Mostly cloudy with patchy light rain this evening, but soon dry. The cloud thinning and breaking at times overnight, although some mist possible. Easterly winds freshening around the coast. Minimum temperature 5 deg C (41 deg F).

Thursday:
Any low cloud and mist will soon clear to leave a dry and bright day with some sunny spells expected. Chilly around the coast, but pleasant inland in any sunshine. Maximum temperature 14 deg C (57 deg F).

Outlook for Friday to Sunday:
Mainly dry and bright on Friday and Saturday. Feeling quite warm in any sunshine, but a risk of frost at night. Colder with rain clearing to wintry showers on Sunday.
